FINISHING!

Attach inside circle to the inside of head in order to make a little area for cupcake.

Sew together Bottom circle and top circle- then sew these to head where the loop is facing forward as shown in picture.

Sew on antenna to top of head circle as shown in picture.

Sew on eyes, feet, arms, and tummy square as see in picture. Then with BLK embroider a smile using picture as guide.

Attach a button or make a button right where the loop meets the head as seen in picture so that you can open and close Gir's head.

For cupcake stuff bottom and attach top making sure to make cupcake firm. Now place cupcake in head compartment and you're DONE!!
